

Invitation to Bid/Request for Proposals/Request for Qualifications

The Community Redevelopment Agency has adopted the City of Florida City procurement policy as its standard for all procurements. When the Community Redevelopment Agency is undertaking a procurement action that exceeds \$10,000, advertisements will be done in two issues of a local newspaper. The advertisements shall be at least 7 days apart and the last advertisement may not be done less than two days before the opening of the bids or proposals.

The Community Redevelopment Agency will also mail or email a copy of the procurement document to potential vendors or contractors that have performed in a satisfactory manner on previous contracts with the Community Redevelopment Agency.

Depending upon the type of procurement action being undertaken, the procurement may also be provided to online services such as Onviva Demand Star.
