-  - FLORIDA CITY LIMITS 2007
-  - URBAN DEVELOPMENT BOUNDARY

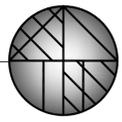

For all parcels within this amendment that were developed as of May 22, 2007, redevelopment shall not exceed the density that existed on the property at that time. For those vacant parcels on the city block bounded by Redland Road, NW 10th Street, NW 9th Avenue and NW 8th Street, development shall not exceed a residential density of 7.3 units per acre, except that each parcel that existed on May 22, 2007 shall be entitled to a minimum of one (1) dwelling unit.
