

Office of the City Clerk

2016 Primary & General Elections

Primary Election: August 30, 2016

General Election: November 8, 2016

The Office of the City Clerk is the Supervisor of Elections for the City of Florida City. In this Election Year, we are recruiting for civic-minded, customer service-driven individuals (who are also registered voters within Miami-Dade County) to join our growing poll worker team. As technology has advanced, so too have our requirements at the polls. We have positions spanning voter ID (Check-in) inspection, balloting and overall polling location management. We invite you to get involved. The August 30th Primary and November 8th General Elections are still ahead of us and recruiting a new era of poll workers is a priority.

Please submit your application to serve as a poll worker online. Poll workers are required to attend a mandatory training and are paid for both training and their time spent at the polls via a stipend. If you or anyone you know fit the above poll worker profile and have an interest or would like to learn more, please see our poll worker information at:

Join us as we all prepare to Be Election Ready! Please let me know if I can be of any further help. Your cooperation and collegiality are all very much appreciated.

Jennifer A. Evelyn
