### **CITY OF FLORIDA CITY REBUILD FLORIDA GENERAL INFRASTRUCTURE PROGRAM GRANT APPLICATION**

#### **WASTEWATER SYSTEM IMPROVEMENTS PROJECT**

The City of Florida City intends to apply for funding assistance from the Rebuild Florida General Infrastructure Program as a part of the Florida Department of Economic Opportunity (DEO) Community Development Block Grant – Mitigation (CDBG-MIT) program for the City's Wastewater System Improvements Project. The project will include repairs to Gravity Sewer Systems for Pump Stations No. 7, 11, 17, 3, 13, 14, 18, 20, 23, 24, and 27 and Pump Station 9 Replacement.

The estimated cost to complete the Wastewater System Improvements Project is \$2,364,358. It is the City's intent to request these funds from the CDBG-MIT grant program.

Interested parties may obtain a draft of the proposed CDBG-MIT application or provide comments regarding this project by emailing Jennifer Evelyn, City Clerk at [cityclerk@floridacityfl.gov](mailto:cityclerk@floridacityfl.gov). All comments must be received by close of business on Wednesday, September 15, 2021.
